2.6.3 Average pass percentages of Students during last five years

Year	2016-17	2017-18	2018-19	2019-20	2020-21
Total number of final year student who passed the university examination year wise during the last five years	28	59	80	117	232
Total number of final year students who appeared the university examination year wise during the last five year	67	80	155	233	233

The following formula is used for calculation as per the KAAC Manual:

Total number of final year students who passed the university examination year wise during the last five years

Total number of final year student who appeared the university examination year wise during the last five year

With the help of the above formula, the percentage per year values is obtained as follows:

Year	2016-17	2017-18	2018-19	2019-20	2020-21
percentage per year	41.79	73.75	51.61	50.21	99.57

Further, with the help of the percentage per year values, average percentage is calculated as follows:

Average percentage = Σ Percentage per year

$$\begin{aligned} & \text{-----} \\ & 5 \\ & = \frac{41.79+73.75+51.61+50.21+99.57}{5} \\ & = 63.38\% \end{aligned}$$

Thus, Average pass percentage of Students during last five year is 63.38%
