5.2.3 Average percentage of students qualifying in state/national/international level of examination during last five years (eg;JAM/NET/SLET/GATE/GMAT/CAT/GRF/TOEFL/ Civil Services/State government examinations etc.)

Year	2016-17	2017-18	2018-19	2019-20	2020-21
Number of Students qualifying in state/national/international level of examinations	01	01	03	06	01
Total Number of Students appear in state/national/international level of examinations	01	01	03	06	01

The following Formula is used for the calculation as per the NAAC Manual

$$\begin{aligned} & \text{Number of students Qualifying in state,national,international level exam} \\ & = \frac{\text{Number of students appeared for the state, national , international level exam}}{\text{Number of students appeared for the state, national , international level exam}} \times 100 \\ & = \frac{12}{12} \times 100 = 100\% \end{aligned}$$

With the help of the above formula, the Percentage per year value are obtained as follows:

Year	2016-17	2017-18	2018-19	2019-20	2020-21
Percentage per year	100	100	100	100	100

Further, with the help of the Percentage per year values, average percentage is calculated as follows:

$$\begin{aligned} \text{Average percentage} &= \frac{\text{Percentage per year}}{5} \\ &= \frac{100+100+100+100+100}{5} = 100\% \end{aligned}$$

Thus, Average percentage of students qualifying in state/national/international level of examination during last five years (e.g.; JAM/NET/SLET/GATE/GMAT/CAT/GRF/TOEFL/Civil Services/State government examinations etc.) is 100%
