6.3.4 Average percentage of teachers undergoing online / face to face to faculty development programmes (FDP) during last five years .

Year	2016-17	2017-18	2018-19	2019-20	2020-21
Total number of teachers attending professional development programme like Orientation / Induction programme / Refresher Course / short term course year wise during the last five years	02	01	01	01	02
Total number of full time teachers	04	04	03	03	03

The following formula is used for calculation as per the NAAC Manual:-

$$\frac{\text{Total number of teachers attending professional development programme like Orientation / Induction programme / Refresher Course / short term course year wise during the last five years}}{\text{Total number of full time teachers}}$$

With the help of the above formula, the percentage per year values are obtained as follows :

Year	2016-17	2017-18	2018-19	2019-20	2020-21
Percentage per year	50.00	25.00	33.33	33.33	66.67

Further, with the help of percentage per year values, average percentage is calculated.

$$\begin{aligned}\text{Average percentage} &= \frac{\Sigma \text{Percentage per year}}{5} \\ &= \frac{50.00+25.00+33.33+33.33+66.67}{5} \\ &= \frac{208.33}{5} \\ &= 41.67\%\end{aligned}$$

Thus, Average percentage of teachers undergoing online / face to face to faculty development programmes (FDP) during last five years is **41.67 %**.
